## Explosion Is Near Fatal To Young Farmer One Year Old Baby Is Killed In Fall From Truck

YOUNG FARMER MAY  
BE TOTALLY BLIND

### DURRELL C. MATYASTIK IS BURIED THURSDAY

Funeral services were held at 10 o'clock Thursday morning at the home of Paul Matyastik, for Durrell C. Matyastik, aged one year, who was almost instantly killed Wednesday morning when he fell from a truck near the home at Clarkson.

Durrell was the son of Mr. and Mrs. John Matyastik who live at Clarkson. He was in the truck with others. At a sharp turn in the road he fell and his neck was broken.

The body of the baby was brought to Cameron and to the home of his grandfather, Paul Matyastik, where the services were held Thursday at ten.

### WORKERS QUOTA IS RAISED IN COUNTY

According to the Civil Works Administrator, Rev. J. P. Love, the quota for Milam county has been increased to 839 men. This is 256 more men than Milam county was first allotted, and, yet, it is inadequate to take care of the 4200 persons who have registered for work.

The Administrator received a wire from Col. Lawrence Westbrook Dec. 11th stating that if any of those who are on work at the present time would volunteer to divide their work with others who are not on Civil Works projects, this could be done, and all the men who are now working are being given an opportunity to volunteer to share their work with others. It is hoped that a great many of these men will see their way clear to be neighborly, and in case they are, several hundred additional men will be put to work on December 22nd. This, however, will not nearly absorb the applications.

The Administrator is still trying to get a further allotment for Milam County and is in hopes that this will be granted.

Work on the Little River project was started on Saturday of last week, and as the lateral road work is finished in the various precincts, the men will be transferred to the River project. Mr. W. D. Bigbee has been appointed Project Supervisor for the river and other work, and if this county is granted any more men, the water ways will be cleared as rapidly as possible. Within the next two weeks there will be at least 50 men working on the clearing of the trees and the widening of the channel of Little River. Later it is hoped that San Gabriel River, Brushy Creek, Pond Creek and Elm Creek will be cleared.

The sewing project was started on a work of relief basis and a number of women have been employed in making garments from Red Cross material.

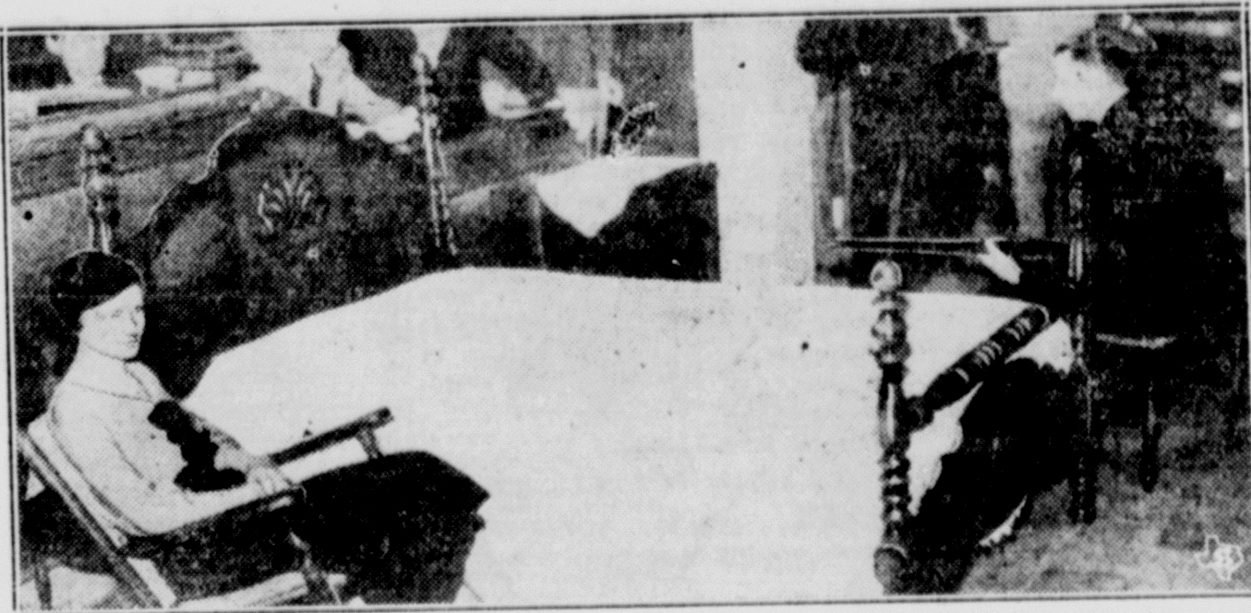

On the 15th a wood cutting project for aliens will be started. This will be on a relief work basis also, as aliens are not allowed to work on Civil Works projects.

### LOW WATER DAM WORK STOPPED; NO FUNDS

Until Texas sells her bonds voted in good faith by the people to relieve distress and to provide a minimum of work funds, there will be no further work to locate and build low water dams on the streams of this county.

W. D. Bigbee, engineering supervisor, has been notified by Mr. Chapman that no further work will be done until Texas cooperates with the federal government and sells the bonds voted last summer.

### The Bedroom Came to Court at Woolley Murder Trial

This is not a picture of a boudoir, but a court room. It is the reconstruction of the bedroom in which Mrs. Dorothy Joyner Woolley was shot to death by her husband, Toy G. Woolley, in Dallas. Woolley claims the shooting was accidental, but the state is endeavoring to prove that it was a case of premeditated murder. The state has built up a strong chain of circumstantial evidence with the aid of Woolley's first wife, who testified that Woolley wanted to get rid of his second wife to marry her (the first wife) again. In the picture Mina Woolley, the defendant's sister, sits in a chair exactly as she sat when the fatal shot was fired. A detective sits opposite her representing the approximate position of Woolley when Mrs. Woolley was killed while lying on the bed.

### WOOLLEY IS ACQUITTED WIFE MURDER CHARGE

Toy Woolley, 28 year old Dallas accountant, was set free by a jury in Dallas Wednesday in his trial for murder growing out of investigation following the death of his 20 year old wife, the former Dorothy Joyner of Cameron.

Woolley said the shooting was accidental, claiming the gun was discharged while he was cleaning it. Dorothy lay on the bed in their home. She was shot through the heart.

The State sought to prove Woolley killed Dorothy so he could get her estate and remarry Mae Cantrell, a former wife and Texas University student.

The only eye witness to the shooting was a sister of Woolley.

### LOW MAN QUOTA HALTS RIVER PROJECT WORK

Work on clearing stream beds in Milam county was begun late last week with a small number of men under direction of W. D. Bigbee, supervising engineer for the project.

The stream project for Milam county was approved for about \$400,000 but the allotment of men prevents carrying out the program.

As soon as other projects are completed men may be transferred to the river project, but no additional men can be put to work until authorized by the government. Strong efforts were being made to get the quota raised for Milam county to relieve distress and put men to work.

Work is in progress beginning at Cannon Snap creek and proceeding up the river toward Cameron. Timber is being cleared from the channel from bank to bank.

### COUNTY HEALTH SURVEY IS BEGUN IN MILAM

A health survey for Milam county was begun this week by J. B. Walker of the State Department of Health. He has been appointed supervisor for sanitation.

The work is a part of the civic works program of the government and the survey is to be made by women drawn from the rolls of the CWA.

In order to get a complete health survey it is necessary that everyone co-operate.

A number of workers will be absorbed, some in the construction of pit toilets and anyone desiring information for this type of construction should get in touch with Mr. Walker at the local offices of the civil works administration.

### Lady Will Never Forget This Moment

It happened during the trial of Toy G. Woolley in Dallas. Woolley shot his wife to death with a shotgun. The state claims it was murder; the defense, trying to prove it an accident, reconstructed the bedroom in court. The obliging lady pictured above, a neighbor of the Woolleys and one of the first to reach the dead woman, reclined upon the bed while lawyers told the jury how the charge of shot tore through Dorothy Woolley's breast. Then "Bang! Bang!" Camera flashes exploded; two bed slats gave way with a crash. And was the lady's face red?

### POLITICS WITHOLDING TEXAS BREAD BOND SALE

A staff correspondent of the New York Times writing for that paper, discusses the tangle in Texas over failure to sell the bread bonds for starving people.

He says a few selfish politicians, led by the Attorney General, Allred, are responsible.

The legislature both stupid and double crossing, did all in its power to defeat the bonds in advance of their submission. George Purl of Dallas, the official nondescript of the senate said: "We did everything in our power to insure defeat of the bonds before they were submitted, but the people voted them anyway."

Allred is quoted as holding out a promise of "you take the risk" to prospective buyers.

The Fergusons, the Times correspondent says, should have been permitted to handle the bonds, but enemies have seen to the contrary. Federal aid may be cut off from Texas, the Washington government has paid practically all relief costs in Texas and Texas is in bad with the government at Washington, so much so that further funds may be cancelled any day.

### NOTICE

The annual Christmas edition of the Cameron Herald will be published Thursday, December 21. We are requesting that the business men will co-operate with us by preparing their ad copy as early as possible. We want to issue the paper on time in order that the advertisers may receive best possible results. Also the children writing Santa Claus letters are urged to send their letters in early. We thank you in advance for your co-operation.

### LEGION MEN CONVENE IN CAMERON SATURDAY

Convention for the Sixth District American Legion will be held in Cameron Saturday and Sunday, December 16 and 17. The meeting will be held beginning at 1 p. m.

In the evening a dance will be held at Country Club for Legion men and their families.

H. T. Robinson, state chaplain of Huntsville, will have charge of religious services Sunday morning at 11 o'clock. After the services lunch will be served at Legion Hall.

The convention is being held in Cameron to honor L. Van Perkins, state commander.

### MRS. MARTHA ROGERS AGED PIONEER DEAD

Saturday evening, December 9th there passed from this earthly life Mrs. Martha Rogers, 89, at 7:30 o'clock, at the home of Judge and Mrs. Jeff T. Kemp, at Cameron. The funeral services were held Sunday afternoon at the Kemp home at 3 o'clock by Rev. W. L. Cannan, pastor of the First Methodist church, assisted by Rev. J. P. Love, rector of the Episcopal church, Cameron.

Mrs. Rogers was born September 10, 1844, in Brazos county, Texas, and moved to Bell county when one and a half years old with her parents, Mr. and Mrs. William Reed, who were early pioneer citizens of Texas. Her father settled in Bell county in 1833, and served as a soldier in Sam Houston's army. He was present at the Charter Oak, and assisted with the organization of the County. He was the first sheriff of Bell county, and his family had been prominent in Bell county history every since.

On December 13, 1868 she was married at Sunshine, Bell county, to Major J. C. Rogers, of Cameron, who organized the Milam county Grays, Company G, Fifth Texas regiment, which was a part of the Hood's Texas brigade. Major Rogers commanded this regiment at the Battle of Gettysburg after its commander, Col. R. M. Powell was wounded. Major Rogers was later promoted to Lieut. Colonel. He was also a veteran of the Mexican war, and for a number of years before his death was prominent in social and political affairs in Cameron.

Mrs. Rogers made her home in Cameron for more than 65 years; was the oldest member of the Methodist church in Cameron.

### DECLARE OIL CODE IS BEING VIOLATED HERE

The oil code is being flagrantly violated in this district according to W. E. Gaither and Bob Swain who are members of the code marketing committee and in charge of compliance with the code.

This statement is made in a communication to Milam county newspapers requesting publicity regarding the code situation.

They call attention to arrests of violators in Texas and other states. The committee desires through patience to avoid filing complaints.

The code when signed by the President became a federal law and those who violate it are soon to be faced with charges.

Compliance with the codes on oil is a part of the nation-wide effort to end unfair business practices and dealers are asked to comply in full.

### Farm Students Keep Up Terrace Work

The Vocational Agriculture boys of Yoe High school continue to run terrace lines for the land owners around Cameron. The number of yards run last week were twelve thousand and the total yards to date is around fifty thousand.

### EDGER WITT GETS IN RACE FOR GOVERNOR

WACO—Edgar E. Witt, lieutenant-governor, announced today as a candidate for governor of Texas, subject to the democratic primaries next year.

In a former statement, Witt said the question of repeal of state prohibition should be submitted to the voters at the earliest possible moment, declared that too much partisanship and factionalism had been hampering governmental activities in the state expressed the opinion that Texas needed a reduction of all taxes and pleaded for the state to prevent business racketeering and profiteering.

"During my service in the senate I was chairman of several important committees and a member of many others. I served as a member of many special committees. As lieutenant governor, I have had the further opportunity of becoming acquainted and having to do with the many problems of the government and with the laws affecting the people of this great state.

"In the course of the active campaign I shall make, I will express myself fully on all issues that may arise. At this time I think sufficient to say that I hope my candidacy offers the opportunity to bring about a desirable cooperation between the executive and legislative branches, so that the government may be administered harmoniously and constructive legislation enacted.

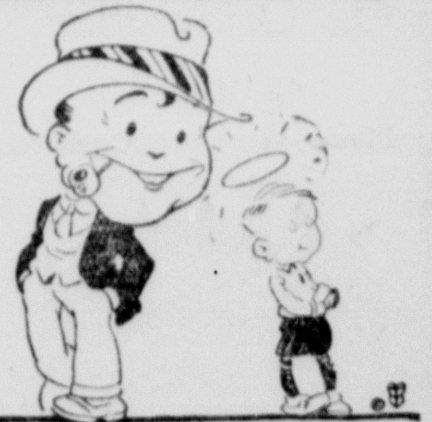

### Says Limelight of Opportunity Shines On 4-H Club

The limelight of opportunity shines on 4-H club girls, according to Miss Elva Buffington, President of the Gause 4-H Club, as she explains the work for next year. Serving as president of the club, Elva not only planned the family food supply, but canned 325 containers of fruit and vegetables for the family pantry shelf, improved the lawn, made a cutting bed, and added 14 new shrubs this year.

The club enrollment of 14 members make the following report of (See 4-H CLUB on page 4)

The earliest line of forts along the Texas frontier were: Fort Worth, Fort Graham, Fort Gates, Fort Grogan, Fort Mason, Fort Lincoln, Fort Ewell, Fort McIntosh.

### THE LOVE OF A PIONEER

On December 30, 1879, Guy M. Bryan, Stephen F. Austin's nephew, wrote Ashbel Smith (see Smith papers), as follows:  
On the 12th of January I will be 59 years of age—forty eight years in Texas. You and I have been here long enough and have had much to do with Texas that we love her as the "new settlers" cannot. With what pride one looks at Athcison's chart" as published in yesterday's daily news seeing Texas outstrip in area the most powerful nations of Europe, and standing by all states as a giant.

The neighborhood of Liberty, Texas was settled as early as 1805.

Texas News Photo—United Press All Southwest Conference Team

Here is the All-Southwest conference football team for 1933, selected by the United Press and Texas News Photos as a symposium of opinions of the coaches and sports writers of the conference. Murphy, stellar Arkansas quarterback, and Clem of Baylor were the only men to receive unanimous choice. Fuqua of S. M. U. was closely pushed for his position by Rucker, rangy Arkansas end, as was Domingue of Texas A. and M. by Kitchen of T. C. U. and Witt of Rice. Domingue's fine playing in the Aggie-Tulane game early in the season had much to do with his selection. Hilliard of Texas and James of Baylor, who made the UP-TNP all-conference team last year, ran up against real competition this year and lost their positions to Petty of Baylor and Wilson of S. M. U. Arkansas, Baylor, T. C. U., S. M. U. and Texas placed two men each and Texas A. and M. one. Rice failed to gain a first team position.

Announcing

NEW FORD V-8 for 1934

THE UNIVERSAL CAR

The New Ford V-8 for 1934 is now on display at the showrooms of Ford dealers. Surpassing even the great Ford of 1933 in economy, beauty and comfort, it is truly the car of this modern age—the culmination of thirty years Ford progress. It combines the proved performance of the V-8 cylinder engine with two important new features—Dual Carburetion and perfected Clear-vision Ventilation. See this car today and drive it at the first opportunity.

OUTSTANDING IMPROVEMENTS IN THE NEW FORD V-8

**BETTER PERFORMANCE.** Greater power, new speed, quicker acceleration, smoother performance, more miles per gallon especially at higher speeds, and quicker starting in cold weather—all these result from the new dual carburetor and dual intake manifold. New water-line thermostats enable the engine to warm up more quickly and to maintain an efficient operating temperature. Added engine refinements reduce oil consumption, further improve operating economy and reduce maintenance costs.

**NEW VENTILATION SYSTEM** permits clear vision, prevents drafts and provides desired amount of fresh air in any weather. Individual control for front and rear side windows. When ventilation is desired the window glass is raised to the top. Then the handle is given an additional half-turn. This slides the glass back horizontally to form a narrow slot. Through

this slot air is drawn out by the forward motion of the car. This simple ventilation system maintains draft-free circulation, insures passenger comfort, prevents fogging windshield in cold or stormy weather. Both windshield and cowl ventilator can be opened to supply additional air needed for comfortable warm-weather driving.

**DISTINCTIVE NEW APPEARANCE** enhanced by the newly designed chromium-plated radiator shell and grille, new hood louvers, new hub caps. Interiors are attractive, with new tufted upholstery, new mouldings, new cove-type headlining, new instrument panel, new arm rests, new hardware. Swivel-type sun visors in De Luxe bodies prevent glare from front or side.

**FENDERS IN COLOR.** On De Luxe cars fenders are in color to harmonize with body colors—wheel colors optional. New enamel finish on

all bodies and fenders has greater wearing quality and more enduring luster.

**GREATER RIDING COMFORT** results from increased spring flexibility. The spring leaves are newly designed for quieter and easier action. Shock absorbers are improved. Seat cushions are deeper, with new, softer springs. New type, individual bucket seats provide increased comfort for front-seat passengers in the Tudor Sedan. Adding to comfort is the new driving ease of the 15-to-1 steering gear ratio.

**PRICES REMAIN LOW**—Tudor Sedan, \$535. Coupe, \$515. Fordor Sedan, \$585. De Luxe Tudor, \$575. De Luxe Fordor, \$625. De Luxe Coupe (5 windows), \$555. De Luxe Coupe (3 windows), \$555. De Luxe Roadster, \$525. De Luxe Phaeton, \$550. Cabriolet, \$590. Victoria, \$610. (All prices f.o.b. Detroit.)

dist church in years, and also in time of membership. She had lived a long and useful life. One of her many fine characteristics was to always stand for truth. Since establishing her home in Cameron it had been noted for Southern hospitality; was always open to the young people as well as the older, where many pleasant hours were spent by earlier citizens of Cameron. She possessed a wonderfully bright mind and had always taken keen interest in political, social and religious activities, and down to within a few months before her death, conversed fluently on the earlier days of Bell and Milam counties, quoting accurately incidents, names and dates, and was always interested in local events.

She had made her home with her daughter, Mrs. Jeff T. Kemp for many years where she was looked after by her children, and received close personal attention, care and love of Mrs. Kemp, who gave her time and life work to looking after the needs and comfort of her mother, giving all attention and comfort possible until Saturday evening she quietly passed away.

Many friends from far and near came to attend the funeral, among them was John Thompson of Rogers, who moved Major Rogers and Mrs. Rogers from Bell county to Cameron more than 65 years ago by wagon over muddy winter roads when the mule teams could average no more than three miles an hour.

Mrs. Rogers had lived under four flags and saw the time when all modern comforts and conveniences in invention were given to the public, and enjoyed speaking of the changes from her early life to present day comforts. But she loved her native state, its traditions and history that she and her parents figured in. She was loved and esteemed by many friends and acquaintances. It was befitting that she was laid to rest in her native soil near the scenes of her experiences in life. A large concourse of relatives and friends gathered at the cemetery where the grave was covered with many beautiful floral offerings.

Surviving Mrs. Rogers are three daughters, Mrs. Jeff T. Kemp, Cameron; Mrs. John Dobbins, Carlsbad, New Mexico; Mrs. Rupert Harkrider, Abeline; one son William R. Rogers, Cameron, a number of grand children and great grand children; a sister, Mrs. J. M. Sybert, of Oklahoma City; two brothers, W. S. Reed of Holland; Dr. Volney H. Reed, Austin and nieces and nephews.

Active pall bearers were her grand sons: Kenneth Rogers, Rupert Harkrider, George Hooks, Roger Neblets; nephews, Volney Reed, Jr. and Houston Reed.

Honorary pall bearers: Sam Brooks, John B. McLane, Dr. D. Monroe, R. L. Batte, W. T. Smith, Lu Meyers, Geo. Marshall, C. W. Lawrence, Henry Ruby, George H. McGehee, T. S. Henderson, T. G. Sampson, H. F. Smith, W. H. Triggs, T. C. Stafford, S. P. Cross, John Mc-

mately 12 per cent and provide a remarkable improvement in pickup. "The new car is the best car the Ford Motor Company ever built," the Ford president said. "Basically, it is the same car as the hundreds of thousands of other V-8 now on the road. It simply incorporates numerous improvements in engine and chassis design, the new body ventilation system and refinements in body styling and appointments which have been brought to a proper stage of development during the past year in our engineering research."

The distinctive lines of the Ford V-8 have been refined in the 1934 car by a newly designed radiator shell, grille and other features. Interiors reveal new tufted upholstery and garnish mouldings, a cove-type head lining, new instrumental panel, arm rests, door pulls and hardware. San visors are provided in all closed cars, those in the de luxe cars being of swive type to prevent glare from both the front and sides.

Eleven body types are available. Included are both standard and de luxe types of the Tudor, Fordor, 5-

window coupe; the de luxe roadster, phaeton and three-window coupe, as well as the cabriolet and victoria. The victoria body has been newly designed, to afford additional passenger room. A luggage compartment is provided in the rear.

All body types are equipped with safety glass windshields, while the de luxe body types are fitted with safety glass throughout.

Because of the increase in engine power over the whole speed range, an appreciable increase in top speed is attained.

The new carburetion system and other engine refinements not only give better gasoline mileage and oil economy but also insure smoother operation at all speeds and particularly at normal driving speeds. With the new carburetor is used a dual intake manifold which distributes the vaporized gasoline equally to each cylinder, very materially improving engine performance and providing quicker starting in cold weather. Gasoline economy is increased two or three miles per gallon. Test runs show that the new engine will give 20 miles per gallon at 45 miles an hour.

## STATE COMMANDER'S ITINERARY

L. Van Perkins, State Commander of the American Legion, announces his itinerary for December: Woodville, December 4th; Beaumont, December 5th; Houston, December 6th; Moulton, December 7th; tour of Valley Posts, December 8th-9th; Denton, December 12th; Vernon, December 13th; Nocona, December 14th. Adjutant George Hughes will be in San Marcos December 14th.

UNITED STATES EXPORTS OF HOG PRODUCTS  
(Each hog represents 1,000,000 head.)

THE accompanying graph constitutes a vivid explanation of one reason why the prices for corn and hogs have been so low the last few years. The main reason is the severe decline in the export demand for United States hog products since the 1919 peak.

In 1910-14, European nations took the equivalent of nearly six million hogs. This was only a moderate export level, but the total United States hog production at that time was in good balance with the combined domestic and foreign demand.

Under the stimulus of the World War, foreign purchases of our hog products jumped to the equivalent of about seventeen million hogs. But since the war, our exports have dropped back again to the equivalent of about four million hogs. This decline has been due to a rapid restoration of hog production in European countries since the war, particularly in Germany and Denmark, and more recently because of tariffs and of quotas which limit the quantity of imports.

Meanwhile, hog production in the

United States has continued to increase at about the same rate as the population. Consequently, the products no longer shipped abroad have become excess products on the home market and have driven down hog prices. Some adjustment to this changed demand must be made if hog prices are to be raised to a more favorable level. The corn-hog production-control program, now being offered by the Agricultural Adjustment Administration, will help farmers bring about this necessary better balance.

## Frenzied Crowd Mutilates and Burns Negro's Body

Here are pictures taken at Komtze, Texas, immediately after a mob of whites dragged the body of David Gregory, negro ex-convict, at the end of a chain behind an automobile, mutilated it, then burned it before the home of his mother. Gregory was shot to death by officers who were hunting for the attacker and slayer of Mrs. Melie Williams, young white farm woman. The left photo shows Gregory's charred remains, still smouldering. "You done right, white folks," said his mother when the mob brought her son's body to her front door. Sheriff Miles Jordan of Hardin county, pictured right, was overpowered by the mob, and the negro's body taken from his possession. He refused to surrender several negro suspects, however, and throughout the night of terror guarded the jail with the aid of several deputies.

### CHRISTMAS CANTATA.

#### "KING OF KINGS"

By J. B. Herbert)

Sunday night December 17th at 7:30 the choir of the First Baptist church will present the Sacred Cantata, "King of Kings." This musical score was first used in the 19th century and has become a familiar Christmas number. Soloists in the cantata are M. G. Cox, bass; A. C. Strickland, baritone; Mrs. Jim Baskin, soprano. A quartet composed of Mrs. Huson Ables, soprano; Mrs. A. C. Strickland, contralto; Ray Burke, tenor and M. G. Cox, bass, will add variety to the chorus selections. Accompanying the chorus are: Miss Helen Flinn, pianist; Francis Cox, euphoniumist, and Mrs. C. W. Bradbury, violinist.

## Bad Taste in Mouth, Sour Stomach

For quick relief from constipation troubles, such as are mentioned below, get a 25-cent package of Thedford's BLACK-DRAUGHT and begin taking it today.

"I have suffered a great deal from biliousness and constipation," writes Mrs. D. C. Jones, of Waterloo, Ala. "When I get bilious I have a bad taste in my mouth, have sour stomach, my color is bad, and I get dizzy and feel awfully bad. I have headache constantly. When I take Black-Draught it relieves me and I feel like a new person. I don't think there is a better medicine than Black-Draught."

Now you can get Black-Draught in the form of a SYRUP, for CHILDREN.

## The New 1934 Ford V-8 Model Announced

Refinements in the design of the radiator and hood and more luxurious interiors feature the appearance of the new Ford V-8 for 1934. The de luxe Tudor is shown above. Dual down draft carburetion and dual intake manifold give the engine greater power, the car increased pickup and speed. A clear-vision body ventilation system also is introduced in the new Fords.

### Gertrude Kreisman Is Chosen Most Perfect Student In School

The following is taken from a recent edition of a New Orleans newspaper concerning Miss Gertrude Kreisman, daughter of L. L. Kreisman of Cameron.

Brown haired, brown eyed Gertrude Kreisman, 17, who lives at the Jewish Children's home, was chosen as the most nearly perfect student at Joseph Kohn High school, in The Item-Tribune contest.

Gertrude, a sophomore in the school, who is only 58 inches tall, and weighs 99 pounds, says that she has no rules of beauty but feels that hers must be inherited. Her favorite exercise is dancing, and Miss Lea Alice Hall, athletic director of the school, says that Gertrude is especially proficient at tap and acrobatic dancing. However, she also likes all kinds of sports, especially basketball and volley-ball and has played on all of her class teams.

She disapproves of people who diet. "I eat whatever I want, whenever I feel like it," she says, and the results attained seem to prove that such a procedure is beneficial. She believes in lots of sleep, except during class periods, and her grades back her up on this.

Miss Kreisman will be entered in The Item-Tribune contest to find the perfect boy and girl students in New Orleans. Gold medals will be awarded the winning contestants, and 14 rowing machines will be given the schools that place.

The present Texas flag was adopted in 1839.

## WHITEY WALKER AND GANG ARE INDICTED

PALESTINE. — The Anderson county grand jury today returned indictments against four men and one woman who were charged in connection with the \$4400 robbery of the Robinson state bank here October 26.

Those named were W. J. (Whitey) Walker, Irvin (Blackie) Thompson and Roy A. Johnson, life term fugitive from the Oklahoma state prison; Nick Prince and Dolores Walker. They have been sought throughout the southwest in recent weeks. Walker, Johnson and Dolores Walker have been identified as the three who held up the McMurray refinery at Arp last November.

The woman was indicted as an aide to the men in the robbery here. She was identified by photographs as the woman who posed as the wife of an oil man and rented a residence here six weeks before the robbery.

Two men entered the bank and forced their way behind a negro porter, and as employees reported for work they were waylaid one by one, were tied up with wire and were forced to lie on the floor.

Russian porters in hotels and railroad stations feel amply tipped if the patron rewards them with a piece of soap, or a packet of the cheapest cigarettes, or a small can of sardines. These articles are pitifully short in Russia.

## NOW ON DISPLAY

*The Finest Ford Car Ever Built*

**New FORD V-8**

**For 1934**

Ford engineering and manufacturing methods made the V-8 engine available in a low cost car. The Ford is the only car under \$2000 with a V-type engine. But Ford didn't stop there. For 1934 the engine has been materially improved. It is now the most economical car to operate ever built by the Ford Motor Company.

More miles per gallon, quicker starting in cold weather, greater power, more speed and smoother performance are obtained with the new Dual Carburetor and Dual Manifold. A new built-in ventilation system gives desired fresh air without drafts and does not obstruct the vision.

There are many other refinements which we want you to see. If you can't visit, phone us and we will bring a car to you without obligation.

The world's only child lion tamer is Manuel King, aged 10, pictured above with one of ten lions he puts through their paces after he comes home from his fourth grade school every day. Manual is the son of the famous W. A. "Snake" King, and was born and raised at Snakeville, King's strange animal and snake farm near Brownsville, Texas. The boy is soon to go on tour with his lions.

### J. N. Mays, 82, Former Resident Here, Veteran Officer at Dille

The following story appeared in San Antonio Express recently. It concerns J. N. Mays, uncle of Mrs. Henry Sapp of Cameron and former resident at Maysfield, whose forebears settled the town and supplied its name:

J. N. Mays, justice of the peace at Dille, is a veteran of the veterans, and yet is very active, holding down more than one job.

In spite of his 82 years and 22 years as a peace officer at Dille, he still holds the justice of the peace and is in charge of the Winter Garden branch of the Texas Agricultural Laboratory, headquarters of which is in charge of H. B. Parks at San Antonio. Mays knows his bees, as does Parks.

Though it may not be much of a necessity as when Mays's forebears came to Texas, and it may not be as serviceable, the veteran still holds and cherishes a rifle that is 111 years old.

The rifle was practically hand made, he said, by his great-grandfather, O. A. Mays, a smith in Green

County, Alabama. J. N. Mays was born in Green County in 1849 and came to Texas at the age of four years, his parents locating in Bell County, near where Temple now stands.

They later went to Milam County, and in that county a town Maysfield, was named for them. Mays boyhood experience at riding herd was in driving cattle to a packing plant on the Brazos River near Hearne.

During the Civil War, when Mexico was the only market for Southern cotton, Milam county was a banner cotton section. The cotton was

carted to the Eagle Pass market.

Six or eight oxen pulled each cart, piled high with cotton, and six to ten carts went in a train for mutual safety. It required about six months to make a trip to Eagle Pass.

In 1873 Mays went to Kansas with a herd of 2,500 Burleson County cattle, there being 12 men in charge of the herd. After 65 days of travel the cattle reached Smoky Hills section of Kansas, where they were herded in good grass until they were disposed of.

### CHRISTMAS PLATE

One of the very nicest things one can receive at Christmas time is an attractive odd plate, and it will be nicer still if it contains a few homemade cookies. Take a large square of holiday paper in a color harmonizing with the decorations of the plate, gather it together at the top, with the corners all frilled out, and finish off with a spray of mistletoe, gold or silver leaves, or a contrasting bow.

In the year 1200 A. D. historians tell us that one-third of the population of England were lepers. It was a day, however, when doctors were not so "long" on diagnosis. Many a poor chap was consigned to the life of a leper who was merely annoyed by a chronic case of itch.

It is good to be children sometimes, and never better than at Christmas, when its mighty founder was a child himself.—Dikens.

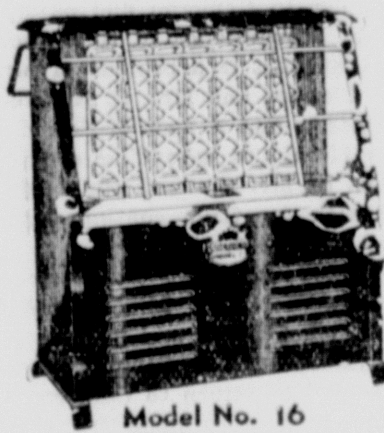

### Relieves Women's Pains

Here is an example of how Cardul has helped thousands of women: "I was very thin and pale," writes Mrs. F. H. Scott, of Roanoke, Va. "I suffered from weakness and a severe pain in my back. This pain unnerved me, and I did not feel like doing my work. I did not care to go places, and felt worn, tired, day after day.

"My mother had taken Cardul, and on seeing my condition she advised me to try it. I have never regretted doing so. I took three bottles and it built me up. I gained in weight, my color was better and the pain left my back. I am stronger than I had been in some time."

Cardul, the purely vegetable medicine which so many women take and recommend, is sold by local druggists.

## B. F. Stewart and Miss Kathleen Hargrove Married In Rosebud Sunday, December 10th

### SEVENTH BIRTHDAY

Mrs. O. L. Byrd complimented her little daughter, Miss Pauline Byrd, with a party Tuesday afternoon, December 5, between the hours of 3 and 5 o'clock, it being her seventh birthday.

The living and dining rooms were decorated in Christmas motif.

The table cover was of white and pink, and the birthday cake was pink centered in white with birthday greetings embossed in green. The seven candle holders were pink and the candles green. The cake was full of favors.

As the little guests assembled they wished her a happy birthday and showered her with gifts.

The little guests were entertained with varied games. Ben Hardy Bailey won the prize in pinning "the cats tail on" and the lucky girl was Laurita Wilson.

They then assembled in the dining room, where they sang "Happy Birthday to Pauline."

Mrs. B. Jackson and Mrs. Charles Fontaine helped Mrs. Byrd serve cake and pink lemonade to the following guests: The honored guest, Pauline Byrd, Juanita Pringle, Ben Hardy Bailey, Roy Lyman Young, Wanda Morgan, Donna Marie Avriett, Betty Jo Dockery, Freddie Jackson, Billy Joe Eans, Rebecca Jean Muse and Laurita Wilson all of the first grade, and Bobbie Ray Jackson, Thomas Dalton Jackson, Wanda Fontaine, Russell Wallace III, Jean Little, Mary Neal McClellen, Sammie Winfield, Myra Winfield and Baby Eans.

After serving, each package was opened and little Pauline thanked each one for their nice gifts.

Suckers were served as favors.

### BOOK AND MAGAZINE SHOWER

Cameron Federation will keep open house next Monday from 4:30 to 5:00 at the Reading Room on the second floor of the Reno building.

Guests are requested to bring books or magazines.

Hostesses will be Mrs. W. O. Triggs, Mrs. Guy Slocomb, Mrs. John Martin, Mrs. M. N. Kilian, Mrs. O. C. Acree, Mrs. James Watson and Mrs. J. P. Love.

### ST. RITA'S CIRCLE

Mrs. Joe Lindle was hostess to the St. Rita's Circle Wednesday afternoon at her home, at which time a business session was held and plans made for the Christmas dinner for the Sisters of the St. Anthony school here.

Following the session the hostess served fruit cake and coffee, assisted by Mrs. E. O. Schiller.

A wedding of much interest to many friends was solemnized Sunday, December 10th when B. F. Stewart of Cameron and Miss Kathleen Hargrove of Rosebud were united in marriage by Rev. O. C. Acree, pastor of the Presbyterian church of Cameron, who read the ring ceremony.

The wedding was held at the home of her mother, Mrs. Ella Hargrove in Rosebud.

The bride was attractively dressed in a swager navy blue suit with accessories to harmonize. Mrs. Stewart received her B. A. degree at Baylor University Waco, and for the past few years has taught school in Milam county, and has been with the Stewart Grocery store for the past year as bookkeeper. She has made many friends since coming to Cameron who are glad to welcome her to their midst.

Mr. Stewart has for many years been a resident of Cameron and has been active in business, being one of the most successful of the young business men of the city. He owns and operates the B. F. Stewart Cash Grocery in Cameron and enjoys a large acquaintance in this section. Mr. Stewart is a brother of Mrs. S. W. Cheeves and Mrs. C. N. Green of Cameron and a host of friends join the Herald in extending congratulations to Mr. Stewart and bride and to wish for them continued success and happiness.

Immediately after the ceremony in Rosebud, Mr. and Mrs. Stewart left for New Orleans and other places of interest in Louisiana. They are expected to return to Cameron within a few days to make their home.

### TOLAND-WOODALL

Cary Woodall, Jr., of Baileyville and Miss Mary Toland of Kosse were married Saturday afternoon at two o'clock by Rev. N. D. Timmerman at his home in Cameron.

Miss Toland is teaching school at Baileyville, and has made many friends since coming to Milam county. She was attractively dressed in a dark green suit trimmed with fur, and wore accessories to match.

The bridegroom was reared at Baileyville, and is a prosperous farmer of that section. They will make their home at Baileyville.

D. A. R.

The D. A. R. chapter met Thursday afternoon in the home of Mrs. T. S. Henderson. Mrs. T. V. Adams and Mrs. S. P. Cross were co-hostesses and the business meeting was called to order by the regent, Mrs. R. H. McIntosh. Mrs. T. V. Adams read the ritual of the order and gave the Lord's Prayer.

Roll call was given by short stories of Christmas, after which the business session was held, when re-

ports from the officers and committee chairmen were heard.

Mrs. T. S. Henderson, flag chairman, read from the flag manual rules of the flag, and the use of the flag.

After the routine of business Mrs. Henderson invited the guests into the diningroom where they gathered around the festive board that was lace covered, center graced with pretty pink roses and ferns. Mrs. Adams, assisted by Mrs. Cecil Culpepper, served a salad plate. At this time, by a special request, Mrs. T. S. Henderson read an original Christmas story.

Out of town members present were Mrs. B. T. Gardner and Mrs. W. B. Thomas of Rogers, and Mrs. T. V. Adams of Buckholts.

### BUSINESS WOMEN

The Business and Professional Women's Club entertained with a benefit bridge and forty two party Tuesday evening for their education fund. The club is keeping a young woman in school at Baylor College at Belton. A Christmas motif was carried out in the decorations.

### CANTATA

A Christmas Cantata "The New Born King" will be sung at the Methodist Church next Sunday evening at 7:15. There will be solos and special organ numbers. The choir is directed by Mrs. A. J. Triggs with Mrs. Loula Clinton at the organ. The public is invited to attend.

### MUSICAL PROGRAM

A musical program was given by the Booster Boys and Girls and the senior choir of the Christian church at 7:30 o'clock to a packed house.

Numbers by the Booster choir were rendered and the program given by the senior choir consisted of popular songs of yesterdays. "The seeing heart," a two act play was given.

Miss Loraine Wade was director and Miss Grace Eplyn pianist. The collection will be sent to the Juliett Fowler Orphans Home in Dallas as a Christmas gift.

### CHRISTMAS PARTY

At the Christmas party given by the members of the Cameron Y. P. C. A. Tuesday evening at the First Presbyterian church, games were conducted by the president, F. E. Jackson, Jr. Devotional was brought by Rev. O. C. Acree.

A committee composed of Thad Bailey, Chairman, Alice Fannin, Winona Slaughter, Bobbie Lyons and Serena Weems, was appointed to nominate new officers for the Y. P. C. A.

They are planning a banquet on December 29th at which time they will elect and install new officers.

Mr. and Mrs. Francis Cox, Mrs. August Horstmann and Mrs. R. B. Rylander were guests.

### BAPTIST W. M. S.

The women of the W. M. S. met at the church for lesson in Royal Service Monday afternoon, led by Mrs. William Fannin. Next Monday they will meet in circles at 3 o'clock.

The U. T. C. circle will meet with Mrs. Preston Graves. The church will be the meeting place of the L. M. H. circle. Mrs. Harvey Dobbins will be hostess to the L. M. circle.

The S. B. met at the church Monday afternoon with 22 members in attendance. Mrs. Bowman is their leader.

The S. B. will present their Christmas program Friday afternoon at 3:30 at the church.

### BIRTHDAY PARTY

Mrs. J. L. Slaughter entertained Friday afternoon from 3:30 to 6:30 in honor of her daughter, Inez, Slaughter. Fall flowers intermingled with autumn leaves were used throughout the rooms.

A pretty birthday cake topped with eleven burning candles resting in pink holders, was cut and served with hot chocolate, cake and candy.

Games were conducted by her sister Miss Wenonah Slaughter, who assisted her mother in the hospitalities of this happy occasion.

Little Inez received gifts from the 34 little friends who came to help her celebrate.

### WEDDING ANNIVERSARY

Sunday, December 10th marked the 49th wedding anniversary of Mr. and Mrs. T. S. Henderson. They enjoyed a family reunion of their children at their home on west 7th street. At this reunion were Mr. and Mrs. Boyd Wells and their three sons of Austin; Mr. and Mrs. Ernest Beard and children of Hillsboro; Mr. and Mrs. Cecil Culpepper and John B. Henderson of Cameron. Adding delight to this happy occasion was

the arrival of John B. Henderson, Jr. at the Cameron Hospital at high noon.

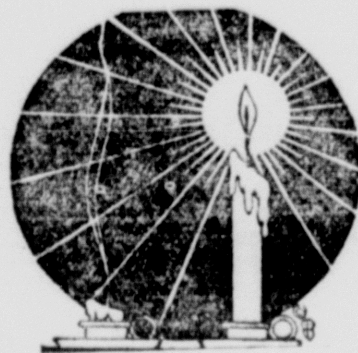

The tenth of December is a day celebrated as wedding anniversary by Mr. and Mrs. Henderson, Mr. and Mrs. Boyd Wells of Austin, Mr. and Mrs. Hamilton Bonnett of Evans-town, Ill. Mr. and Mrs. Bonnett and Tom Henderson, Jr. of Corpus Christi were unable to be present at this time. Many friends in Cameron wish for them many happy returns of the day, and a long life of health and pleasure.

## If You Get Up Nights

Lax the Bladder With Juniper Oil, Buchu, Etc.

Drive out the impurities and excess acids that cause irritation, burning and frequent desire. Juniper oil is pleasant to take in the form of BUKETS, the bladder laxative, also containing Buchu leaves, etc. Works on the bladder similar to castor oil on the bowels. Get a 25c box from any drug store. After four days if not relieved of "getting up nights" go back and get your money. If you are bothered with backache or leg pains caused from bladder disorders you are bound to feel better after this cleansing and you get your regular sleep. New Cameron Drug Co. say BUKETS is a best seller.

The American population in Texas in 1831 numbered about 20,000.
